**6' TABLE – 30"x 6'**

SEATS 6 nicely – but 8 if you use the ends

Linens: 52"x 114" banquet is lap length but longer on the ends  
90"x156" will go to the floor and need to be tucked under on the ends

**8' TABLE - 30" x 8'**

SEATS 8 nicely - but 10 if you use the ends

Linens: 52" x 114" banquet is lap length  
90"x156" big banquet goes to the floor

**36" ROUND TABLE**

SEATS 4 - like a card table only round!

Linens: 72" x 72" looks nice and points will go to the floor  
52" x 52" looks ok only  
90" round linen goes to the floor

**60' ROUND TABLE**

SEATS 8 nicely

Linens: 85" x 85" looks great and the points cover up the legs  
120" Round goes to the floor and is very nice.  
90" round is lap length, very limited and more expensive also doesn't look near as nice as the 85x85, and  
the legs will show.

**72" ROUND TABLE** Lindsey Rentals does **NOT** rent this size table!!

SEATS 10 nicely

90x90 looks good on this table and covers up the legs  
120 will not go to the floor, there will be a 4-6" space.
